Since 2019, **Project 150 Reno** has operated a boutique, committed to providing basic needs to unhoused, displaced and disadvantaged high school students allowing them to focus on education and graduate from high school.

They supply free clothing, shoes, school supplies and hygiene kits to high school students in over 30 schools in Northern Nevada, helping over 3,500 students each year.

SBC has contributed to Project 150 Reno since 2021.

36% of the high school students in Washoe County are identified as disadvantaged. Many are unhoused or staying in places not meant for human habitation. Approximately 84% of the unhoused youth are on their own, unaccompanied by a parent or guardian -- the highest rate in the U.S.

As we celebrate our blessings this Thanksgiving and Christmas, let's provide a financial blessing to Project 150.

THE GOAL: $4,000

All contributions to Missions in November will be donated to Project 150. Please designate Missions on your envelope or with your online giving.

Project 150 uses monetary donations like ours to leverage discounts, make bulk purchases, buy in-demand items and ensure there are adequate resources for every student in need.

Thank you, Second Baptist Family and Friends for your generosity.
